

## The Final Plagues

### Revelation 16:1-11

Some people believe that the plague judgments recorded in Revelation 16 were referring to the Fall of \_\_\_\_\_ in 70AD by Rome. But history does not support that theory. It is important for us to understand this chapter because this is our future history. The end of all things is coming.

This is about the final judgements upon the earth.

\_\_\_\_\_ times in Revelation God uses the word \_\_\_\_\_.  
\_\_\_\_\_ times in this chapter alone.

\_\_\_\_\_ times in Revelation it says "A \_\_\_\_\_ voice. (vs. 1)

This is \_\_\_\_\_ talking. "Go pour out those bowls of wrath.

Plague 1: vs. 2 A plague against \_\_\_\_\_ with sores that will cause people to \_\_\_\_\_ God. It is possible that the mark of the beast will become the sore.

Plague 2: vs. 3 The sea turns to dark red \_\_\_\_\_. All sea life \_\_\_\_\_. This affects the \_\_\_\_\_ supply.

Plague 3: vs. 4-7 All the fresh \_\_\_\_\_ turns to blood. This affects the drinking water. The angel over the waters declares this is a \_\_\_\_\_ judgement.

Plague 4: vs. 8-9 The \_\_\_\_\_ patterns change as the \_\_\_\_\_ heats up scorching those who have the \_\_\_\_\_ of the beast. As a result they \_\_\_\_\_ God. At the same time those who are God followers are \_\_\_\_\_,

The problem is not the \_\_\_\_\_ of the sun. The problem is the sinful heart of human beings.

Plague 5: vs. 10-11 The kingdom of the beast goes \_\_\_\_\_. It is so dark, people \_\_\_\_\_ their tongues from pain. Yet they do not repent

This is a prelude to what \_\_\_\_\_ will be like. Hell is in \_\_\_\_\_ darkness. A person there has no sense of direction. They can't get their bearings.

God is righteous in all His judgements. My salvation is a result of God's dealing with my sin on the cross.
